DESCRIPTION

This Product is an Actively Managed Certificate. The Product allows for participation in the performance of the Underlying. The Underlying is a basket representing a notional, actively managed portfolio of assets including cash in the Currency of the Product.

OBJECTIVE

The investment objective of the AMC is to implement a cost effective hedge to an adjacent fixed income portfolio.

STRATEGY

The objective is implemented by trading listed interest rates derivative and related asset classes. The AMC will maintain along/short exposure to various fixed income instruments and indices through the use of derivatives on indices, ETFs, rates, FX and commodities. A combination of calendar spread, volatility arbitrage and smart carry strategies will be employed.
